**Subject:** Re: Please read if any of your books have been censored or challenged

Hi Joan--

Wish You Were Here was on the most censored list in, maybe, 1995. So funny. I was reading the list in the Authors Guild Bulletin and did a double-take. It was one of the greatest things that ever happened to me as a writer. Boy, was I in good company! :-)

I'd love to write something on this topic! I'll get it to you asap.

Best,  
Barb
