

My A BAD BOY CAN BE GOOD FOR A GIRL endures this type of harassment. ;-)

I always send out a VOYA article I wrote that I think teachers will find widely useful as it is not book-specific and instead addresses when censorship is due to the topic of sex. I have been told that this article has helped arm folks battling censorship with some success. Please feel free to share it. It's called "The Power of Sex in YA Literature" and features many popular books that have taken some heat!
